

Press Release

ALC Forensics Lab

IT Forensic Lab to open in 2009

ALC, Inc. will officially open its new computer forensics laboratory in South Florida by the new year. The technical structure is in place to begin servicing our customers as early as mid January. In addition to languages and linguistics, ALC will now offer information analysis and gathering in a myriad of languages and dialects, ALC also provides IT Forensics for defense and law enforcement. Our specialized teams offer Electronic Discovery, Computer Forensics, Incident Response, and Computer Security have been certified in both state and federal courts as experts in computer forensics as well as computer security. As such, ALC provides:

- Full-scale computer forensic analysis
- Special Master court appointment
- Live computer forensic acquisitions
- Secure facilities & forensic labs
- Forensic software validated in courts
- Electronic Discovery and Computer Forensics
- Vulnerability Assessment
- Wireless Security Assessments
- Product/Application Assessments
- Policy & Procedure Review
- Compliance Issues

ALC's new forensic lab will expand our scope of operation further and reinforce our commitment to law enforcement and the legal community.
