

# Press Release

## **ALC Supports Military Exercises Overseas**

*ALC to provide civilians on the battlefield as role players*

ALC has been awarded a contract to provide role players in support of military exercises throughout the European theater of operations. Although ALC has furnished this type of support in the past--to the USAF and the Army--this contract expands our company's scope of operation into the European command, which may result in further expansion into other commands throughout Africa and the Middle East.

### **For more information, contact:**

Mr. Chris Rivers  
Operations Manager
