

Press Release

ALC phone application

A cross platform ordering application

ALC is scheduled to launch its new telephone application to the general public in a few weeks. This cross-platform application will make ordering and receiving translation, interpretation and video for sign language as easy as a few clicks. All of our customers will be briefed as soon as the beta testing is completed and then it will be as easy as clicking anywhere in the world to received immediate service.

About AllWorld Language Consultants, Inc.: ALC is a consulting firm that provides a vast array of technical and professional services such as: translation, interpretation, transcription, Title III interception and monitoring, video production, training, IT Forensics, intelligence and media analysis, and general consulting services. Since its incorporation in 1994, the company has grown to become a leader in its industry, rapidly expanding from basic translation services, to a specialized, global enterprise capable of supporting the most complex of missions and tasks.
